

# Merger & Acquisition Support

Merger & acquisition support through strategy, regulation guidance, target outreach & identification, due diligence & post deal support

## How we work

### 1. ASSESS

Evaluate current state of organization

### 2. IDENTIFY

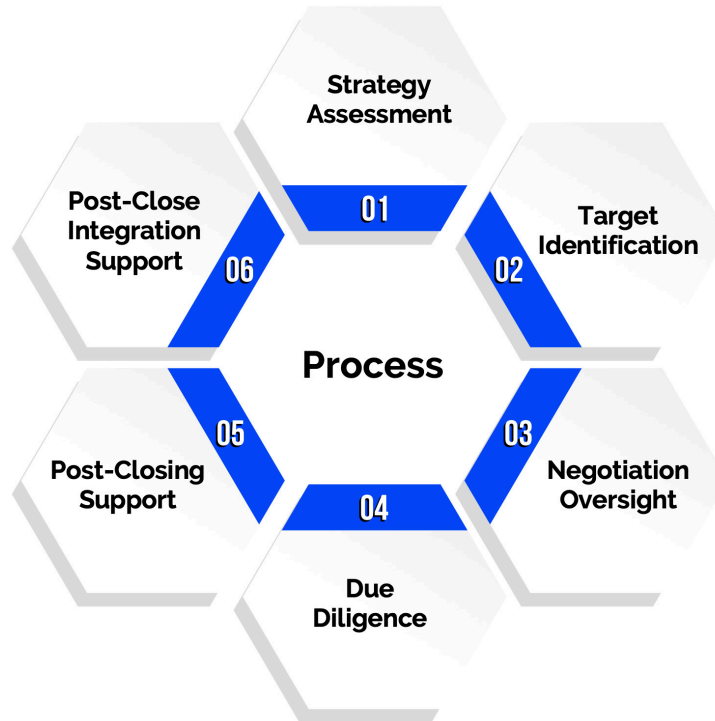

Determine whether to execute merge or acquisition & identify targets

### 3. FACILITATE

Provide oversight of merge or acquisition with new company

## What We Do

In support of our sister company, Digital Twin Capital\*, SGA provides the following:

\* Digital Twin Capital is a sister company to Strategic Growth Advisors and provides full service Merger & Acquisition services and facilitation.

### About Strategic Growth Advisors

SGA is one of four sister companies that all provide enterprise business support in the areas of Business Operations, Business Development, Small Business Advisory and M&A Advisory. SGA offers on-demand business development enablement and helps Tribal 8(a) organizations & small businesses scale through strategic partnerships & portfolio offerings at a fraction of the cost.
